## RODGERS IN FINAL DIP TO DEATH

Aviator Who Flew From Ocean  
to Ocean Plunged to Tragic  
End in Breakers

### MACHINE WRECKED IN LONG BEACH SURF LINE

Fourth Flyer to Meet Death  
in Los Angeles County  
Within Two Years

LONG BEACH, April 4.—Calbraith P. Rodgers, the aviator who crossed the continent in an airship, touching Pacific waters at this place, plunged to his death late yesterday afternoon a few feet from where it had been planned by Long Beach to erect a monument to commemorate his sea-to-sea flight.

Rodgers had been flying daily at Long Beach for almost two weeks and yesterday afternoon started on a flight to San Pedro, flying low over the city and ocean. He had circled about considerably and had started east along the beach surf line. As he passed over the roller coaster at a height of perhaps 400 feet, he began to dip, his machine going down at a 45-degree angle. He was seen to pull on his lever control and look back in an apparently startled way at the machinery of the biplane; then the machine, at a height of between 50 and 100 feet, went hurtling like a huge bird to the sea, striking the ocean in the first line of breakers, running its nose into the sandy beach, then turning over with the body of the helpless aviator crushed and clutched in the tangled mass of framework and wires. When the horrified spectators, of whom there were from 1000 to 1500, realized the fearful tragedy, help was already at the dead man's machine. James Montgomery, James Goodwin and Ernest Scott, bathhouse guards, rushing to lift the broken plane from Rodgers' body. His neck and back were broken and his jawbone was fractured in two places. It is supposed that as Rodgers was thrown forward by the impact, the steering wheel struck his face, shattering the jaw bone and breaking his neck.

It is thought Rodgers miscalculated the distance between his dip and the pier and when he realized his mistake, took chances on a drop. His wife is overcome by the tragedy. The two have been staying at the Maryland, Pasadena, and the wife is now there under the care of a nurse. Rodgers' mother, Mrs. H. H. Switzer, who came across the continent by rail as her son made his flight, is away in the West Indies or in London, and efforts are being made to reach her by wire.

With Rodgers' death, aviation fatalities have reached 127 since the Wrights made their successful flights. Twenty-two of these have occurred in America. Four have been killed in Los Angeles county—Hoxsey, Rodgers, Hartle and Page, the latter two being amateurs. Hoxsey held the world's altitude record, and Rodgers held long distance record as well as the transcontinental record.

## SUICIDE AT LONG BEACH SUSPECTED

Woman Believed to Have Leaped  
From Pier With 5-Year-  
Old Son; Note is Found

LONG BEACH, April 4.—Following the discovery of a woman's handbag, hat and coat, and a boy's hat and overcoat with a note pinned to the latter intimating that Mrs. Stella Wellfare, aged thirty-three, intended to leap from the municipal pier with her five-year-old son, Delmas, the police are patrolling the strand for their bodies. The note is addressed to the woman's husband, John Wellfare, and said she would end all, and believed that God would not hold it against the lady the fact that she took his life. Wellfare identified the writing as his wife's but refused to believe she has drowned the baby.

### U. S. MAY GOVERN EXPRESS RATES

House Committee Reports Favorably on Plan to Govern Rates

WASHINGTON, April 4.—The House interstate and foreign commerce committee on Tuesday reported favorably a bill to amend the law giving the interstate commerce commission authority over express companies. Provision would be made for rate zones, the charges varying according to the distance the package was carried from the point of origin. A close working arrangement also would be provided between the express companies and the rural free delivery system of the postoffice department.

## SIDNA ALLEN AND NEPHEW KILLED IS RUMOR TODAY

ROANOKE, Va., April 4.—Sidna Allen and Wesley Edwards, two of the uncaptured Allen bandits, were shot and killed in a fight with detectives at Hillsville. It is reported that several detectives were wounded, two of them fatally. Another report says that both outlaws were captured, after killing two detectives.

## BEGIN CLEARING PERKINS' REPLY NEW CANYON ROAD ENCOURAGES THEM

Supervisor Leck Authorized to Expend Not Over \$500 in Preliminary Work

### NO ACTION TAKEN ON BONDS ELECTION

April 16 Supervisors Will Decide if They Will Submit Questions Now

The Board of Supervisors yesterday authorized Supervisor Leck to begin the clearing of the right of way for a county road up Sevierville Canyon from San Juan Hot Springs to the county line. Leck may spend not to exceed \$500 in this preliminary work. It is probable that after the brush is cleared away the actual work of road building will be let to contract. That is a matter not yet settled.

The road was surveyed about six years ago, and the report of the viewers was accepted. All that remains to be done is to build the road, most of which lies in the Cleveland National Forest. A portion of the lower end is on the Sevierville ranch. This road will join with a road from Elsinore, Remond's place.

The supervisors have adopted plans and specifications for remodeling the county jail, and bids are to be received for that work on April 16.

**Take Action 16th**  
No definite action concerning the proposed bond issues, one for a county poor farm and county hospital and the other for bridges, was taken at the meeting of the supervisors yesterday, but it seems to be conceded that a call for an election for bonds will be passed upon at the next meeting of the board, which will be held on April 16. The questions if submitted will be voted on at the presidential primaries on May 14.

**Other Matters**  
The petition of W. H. McMurphy and others to widen a street in the Orange road district was granted.

The report of the viewers of the road district was set for May 8.

In granting \$1500 for the construction of a bridge across the Santa Ana river at West Seventeenth street, the supervisors stipulated that the petitioners must provide a right of way for joining the west end of the bridge with the road to the west.

Election boards for the May 14th election were chosen, and the supervisors adjourned to April 16.

## PROGRESSIVE RANKS LOGICAL ALIGNMENT CALIFORNIA WOMEN

LOS ANGELES April 4.—"I am very much pleased with the results of the work that has thus far been done in the matter of interesting women voters in the Roosevelt campaign," said Mrs. Florence Collins Porter, vice president of the Roosevelt Progressive Republican League, yesterday.

"The women are showing a strong interest in the primary campaign, are studying the issues carefully, and I am confident they will cast a heavy progressive vote. As the campaign progresses it becomes apparent that the people are thinking of issues first, rather than of individuals. I think the words of Governor Johnson went home to the consciences of the voters when he said: 'In this campaign the progressive, big or little, who forgets the cause in thinking of himself, is merely an ally of the reactionaries.' All seem to recognize that the real battle now being fought is to decide whether or not the people are really to govern themselves; that an apportionment is being placed on wealth and humanity, and that there is to be a determination as to which shall be regarded as holding superior rights. At such a time there can be no doubt, it seems to me, as to how the sentiment of California women will be expressed."

### NEW YORK BALLOT WAS PREPARED WITH MALICE PREPENSE

NEW YORK, April 4.—A copy of the primary ballot used recently in New York has been received by the California Outlook. It is one of the most remarkable ballots ever devised, and is built, obviously, to serve the purposes of the gang bosses. This ballot is six feet in length, and put together in such a fashion as to bewilder the ordinary voter. In California it would be regarded as a disgrace; in fact, it would not be tolerated for a moment.

**New Members**  
Fourteen new members taken in Gore A. J. McGannon, R. Y. Williams, G. L. Harper, H. P. Thelan, F. J. Kimball, H. W. Brann, W. G. Wells, H. A. Wassum, Pacific Electric by Battery, Wells-Fargo Co., S. M. Davis, I. O. Wilson, T. W. Neely and E. L. Andrews.

A proposition from L. H. Padgham to take advertising space on a map to be gotten out by Padgham was referred to the publicity committee.

A committee was instructed to prepare resolutions on the death of Samson Edwards, a member of the organization.

The committee that had the Associated Chambers banquet in charge given a vote of thanks for its work.

An invitation was received from the California Development Board asking that the chamber of commerce send a representative to the state banquet to be given in San Francisco on May 7.

The secretary was instructed to name any local man who might be in San Francisco at that time as a delegate.

**Has New Booklets**  
The chamber of commerce has received a supply of new booklets, and they may now be had by anyone who wishes to send any of them to friends in the East.

## OROZCO MUST RETURN ROBERTS UNHARMED

American Troops Will Deal With Him  
If Ultimatum Not Heeded—Tide  
Of Success Turns From Rebels

WASHINGTON, April 4.—There is much discussion today of the State Department's action in ordering Consul Edwards at Juarez, to notify General Orozco that Powell Roberts, the American seized at Juarez, must be returned unharmed on American soil immediately, or General Orozco must deal with American troops.

The order has revived intervention discussion. No word of the fate of the fifty Americans reported seized at Chihuahua has been received. In reply to the ultimatum that the Vera Cruz and Mexico Railroad must be kept open until the arms reach Mexico City, President Madero replied through Ambassador Wilson that he will immediately take up the question at a special meeting of the cabinet.

**MEXICO MUST SETTLE FOR  
\$100,000 AMERICAN CLAIMS**  
The foreign relations committee of the House recommended the passage of a resolution instructing the State Department to demand that the Mexican government settle claims aggregating \$100,000 for damage during the Madero revolution.

These claims are for deaths, injuries and loss of property due to stray shots fired from the Mexican side of the Rio Grande into Texas.

**TIDE OF SUCCESS TURNS  
AGAINST REBELS TODAY**  
JIMINEZ, Mex., April 4.—Decisively defeated by General Villa, the rebels under General Campa are hurrying to the rebel base here, following their failure to wrest Pargal from the federals. The tide of the campaign has apparently turned in this vicinity. It is believed the rebels will have their hands full, protecting Jiminez from the reinforced federals.

The order has revived intervention discussion. No word of the fate of the fifty Americans reported seized at Chihuahua has been received.

In reply to the ultimatum that the Vera Cruz and Mexico Railroad must be kept open until the arms reach Mexico City, President Madero replied through Ambassador Wilson that he will immediately take up the question at a special meeting of the cabinet.

## I. W. W. CROWD IS MET AT SAN ONOFRE BY SAN DIEGO FORCE DRIVEN BACK TO THIS COUNTY

This afternoon Sheriff Ruddock got word that sixty-eight I. W. W. men are camped at San Juan Capistrano. Where the remainder of the ninety-two reported by the I. W. W. leaders as their strength here, have gone, the sheriff has no means of knowing. He has ordered the crowd to leave San Juan Capistrano. They probably will come this way.

Unmolested, the band of industrial workers of the World who arrived here Tuesday night last night climbed on to a flat-car on the south-bound Santa Fe freight, leaving here at 11 o'clock and rode as far as San Onofre, where they were met by a force of San Diego deputies and other citizens, and turned back. At noon today Sheriff Ruddock got word that the I. W. W. men had walked from San Onofre to San Juan-by-the-Sea, and were camped on the beach. Instructions were sent to the sheriff's deputies at San Juan Capistrano to order the men to move on.

All of the men who left here are not in the crowd on the beach. Joe Miller, who spoke on the street here last night, and an Italian who led the singing, are reported to have been severely handled and are now probably at Oceanside locked up.

**No Arrests Here**  
Yesterday Cade Selvy, chief special agent of the Santa Fe, and C. A. Rothenhofer, a special agent, arrived here, and asked the local officers to give them a warrant for the arrest of the whole crowd, ninety-two in number, for riding the freight train from Fullerton to Santa Ana. District Attorney West refused because there was no one who could identify the men individually as having been on the train. The district attorney's stand has been highly commended.

He said he stood ready to do his duty in prosecution where there was evidence enough to convict.

For a time it was thought that the Santa Fe men would demand that the law be enforced against riding a freight, and Sheriff Ruddock had fifteen or twenty deputies on hand to do their duty if called upon. It was not the sheriff's desire to stop the men, he preferred to let them go their way without causing expense or trouble for this county.

**Made No Demand**  
The Santa Fe officers made no demand for the enforcement of the law, and they allowed the whole I. W. W. crowd to pile on to a flat-car. At the street meeting held last night, Joe Miller announced that it was the intention of the crowd to go as far as San Juan Capistrano last night and camp there until 100 or 200 more of their number had arrived, when they would continue their journey toward San Diego to take part in the free speech fight.

But last night's freight made no stop at San Juan Capistrano. It made no stop between here and San Onofre, where the engine takes water. Acceptable, the men were thrown off the flat-car and ordered to turn back. Some three or four of their number are said to have been severely handled, just how severely is not stated.

**Are Turned Back**  
The armed force ordered the men to walk north, which they proceeded to do. All Sheriff Ruddock knew up to noon was that the crowd had been turned back at San Onofre. At 12 o'clock a telephone message stated that the crowd had gone into camp near Serra.

**Street Speeching**  
The behavior of the I. W. W. men while here was orderly. Only about a quarter of their number attended the street meeting, which was held on Main street south of Fourth. Several songs were sung, and then Miller began his speech. He declared that the war against the San Diego ordinance would be carried on until

it is won. He said 40,000 unemployed in San Francisco could be brought in to help with the fight. He declared large numbers could be brought from other points.

"We must win," said he. Miller said he was driven out of San Diego two weeks ago, that after he was arrested he was turned over to a vigilance committee that took him and others outside the city, where they were turned loose, some of them with a beating.

Miller's speech was confined almost entirely to the situation at San Diego as viewed by his organization, which he said was a great union of workingmen, and there was no attack upon the flag.

Mrs. Irene Smith, a Santa Ana Socialist and member of the I. W. W., mounted the soap-box, and talked for an hour. She declared the movement was a part of the uprising of the people to prevent further riding by capitalism upon the backs of labor.

A collection was taken, and \$5 was gathered in, of which half was sent to the county jail for buying tobacco for the twenty-four San Diego prisoners held here awaiting trial in San Diego for breaking the ordinance prohibiting street speaking within a designated district.

**ENGLISH MINERS  
CALL STRIKE OFF**

Formal Order for Resumption of Work Likely to Come Next Saturday

LONDON, April 4.—The coal miners' long strike was called off by the leaders today. The action followed a complete canvass of the strike referendum vote, and despite the fact that a majority voted against the acceptance of the minimum wage bill.

It was explained that as a two-thirds vote is required to authorize a strike, the same rule would be applied to the referendum. There was not a two-thirds vote in opposition to the resumption of work.

The miners' executive committee at a late hour called a special meeting of the Miners' Federation for Saturday to endorse their action. It is expected an order will then be issued for a general resumption of work on Monday.

**PEN FOR MULTI-MILLIONAIRE**  
SEATTLE, Wash., April 4.—Clarence Dayton Hillman, the multi-millionaire real estate dealer convicted of using one United States mails to defraud, and whose case the United States Supreme court yesterday refused to review, will enter the McNeil's Island penitentiary today or tomorrow to serve two years and six months. He says his defense has cost him \$65,000.

## CAIRO IS CUT OFF FROM WORLD

Levees Break on North; Rail  
and Wire Connections  
Are Severed

FIVE MILLIONS LOSS: NINE  
SQUARE MILES SUBMERGED

Hickman 15 Feet Under Water  
—Memphis Lowlands Inundated; Suffering is Great

CAIRO, Ill., April 4.—The levee around the drainage district north of Cairo broke at 1:30 o'clock this morning. Four hundred men are marooned. This means half a million dollars loss. Cairo proper is still safe.

**Nine Square Miles Submerged**  
CAIRO, Ill., April 4.—This city is threatened with complete inundation by the breaking of three levees to the north. Nine square miles is already submerged. The damage is estimated at \$5,000,000.

All rail and wire connection with the outside world is severed. Communication is confined to boats, the news associations and papers operating swift motor boats into the city. They are permitted by the state authorities to operate only on the condition that they will carry supplies on each trip. A big hole exists in the Big Four levee on the Ohio river side, permitting millions of gallons of water to flow through hourly.

**2000 Homeless Face Starvation**  
HICKMAN, Ky., April 4.—"For God's sake ask Congress to appropriate \$5000 immediately to relieve the suffering here."

This message was telegraphed to Senator Ollie James by Mayor Dilks. It gives a faint idea of conditions here. More than two thousand are homeless and actually facing starvation. They are sleeping in the rain-soaked hills without covering or shelter. The town is under fifteen feet of water.

The announcement that the river is expected to rise two feet before night caused consternation, many fearing the entire town may wash away. City officials are planning to protest two government action in sending two hundred army tents here with the express unpaid. On account of the flood conditions, money is unavailable. The city was compelled to borrow \$120 from a neighboring town bank before the express company would surrender the tents.

All the churches in the hill district are packed with refugees. The plight of the children is pitiable, and their parents are unable to give them food or warmth.

Twenty-three were rescued from houseboats yesterday by a gasoline launch. When the launch deposited the rescued party here, two of the members, Ray Hall and Jennie Griffith, rushed to the courthouse and were married.

A thousand additional refugees from the stricken sections above here arrived at noon, adding to the food scarcity problem. Appeals have been sent broadcast by every possible means. The river continued to rise, and refugees are retreating further up the hills.

**Mississippi Rises Steadily**  
ST. LOUIS, April 4.—The Mississippi rose eight feet in the last twenty-four hours, reaching a total height of thirty feet and four inches. A further rise is predicted. Although the Missouri is falling steadily the volume of water in the Mississippi has increased. Hannibal lowlands are flooded and farm lands are threatened.

**FLOOD EXTENDS TO BATON  
ROUGE AND VICKSBURG**  
MEMPHIS, April 4.—The weather bureau predicting a two-foot rise in the Mississippi river within forty-eight hours, warnings have been sent to all inland towns behind the local levees. The lowlands are already flooded for miles. Guards are watching the levees.

Flood conditions prevail as far south as Vicksburg and Baton Rouge. Twenty-two lumber plants have been inundated. Future City, a town of five hundred, is completely submerged, only the chimneys and windmills showing above the water. The loss is heavy.

**U. S. to Furnish Rations**  
WASHINGTON, April 4.—President Taft has ordered the army quartermaster General to furnish rations to the Mississippi flood sufferers, wherever needed. The order followed a conference with Senator Ollie James, who presented an appeal from Hickman, Ky. Men from the Louisville quartermaster's department have been sent to the flooded section.

The superintendent's report was read and ordered filed as follows:

**Superintendent's Report**  
Orange, Cal., March 30, 1912.

To the Board of Directors of the S. A. V. I. Co.

Gentlemen:—Work done during the month is as follows:

Have put in a measuring box, 8x16 feet, also 254 feet of 24-inch and 662 feet of 18-inch pipe, to deliver water into catch D from pumping plant No. 3.

On the right-of-way of the new reinforced pipe line have lowered 26 feet of the pipe on ditch D, to a sufficient depth so as not to interfere with the grade.

On petition of G. G. Richards, have laid 622 feet of 16-inch pipe.

On main canal, have put in gate for J. F. Richards.

Have made 948 feet of 16-inch and 1018 feet of 12-inch cement pipe.

Have cleaned main canal and ditch B, north of creek; also cleaned the following ditches: C, C. V, Z, I, Q and T.

Pumping plant No. 2, was started upon the 26th of February, but on account of rains was shut down on March 3. Pumping plant No. 1 has been repaired and put in readiness for the season's run.

Have received and stored two carloads of Colton cement.

All of which is respectfully submitted.

J. A. SMITH, Superintendent.

The treasurer's report was received and filed.

The report of the special committee appointed to examine the proposition of E. W. Pyne, was read and ordered filed, as follows:

**Special Committee's Report**  
Orange, Cal., March 30, 1912.

Gentlemen:—In the matter referred to us at the last meeting, we have given E. W. Pyne permission to lay a pipe over the main canal, subject to the pleasure of the board of directors.

We also wish to report that E. W. Pyne is laying a pipe line along the main canal on the company's right-of-way.

We also recommend that steps be taken to have the trees on Mr. Pyne's land and near the bank of the canal, removed.

GEO. DIERKER, J. A. SMITH.

Said special committee was continued, with power to act, to confer with E. W. Pyne in regard to removing trees along our ditch bank.

M. S. Flippin appeared before the board at 11 a. m., relative to violating by-law No. 21. Both sides of the case were heard, and same was taken under advisement until afternoon when a ballot was taken and said M. S. Flippin declared guilty and a fine of \$10.00 imposed, and on motion, the employees of the company were instructed to deliver no water to said M. S. Flippin, until said fine of \$10.00 is paid.

The finance committee's report approving bills as follows: Construction account \$1590.95, expense account, \$2280.97, was read and approved, and the secretary instructed to draw warrants on the proper funds for the several amounts.

On motion the secretary, O. E. Mansur, in behalf of the Santa Ana Valley Irrigation Co., was instructed to sign the petition as prepared by the Olive Milling Co., for the abandonment of certain streets and the narrowing of others in Olive Heights.

On motion, the president and secretary were instructed to draw a warrant in favor of M. C. Chase for \$300.00 as payment on well contract.

A petition was received from F. A. Hoffman for a gate and same was granted, provided petitioner abandon his other gate and will grade his land so that he can irrigate all his land from the one gate, the petitioner to pay all costs.

A petition was received from H. Heim for a gate and was referred to the zanja committee.

A petition was received from F. J. Buchheim et al. to connect their private pipeline with ditches B and B4, and on motion, same was allowed subject to the approval of our superintendent. A petition asking to construct a pipe line under ditch B, was received from Wm. Grecht et al., and on motion, was granted, subject to the approval of our superintendent and to continue at the pleasure of the board of directors.

A communication was received from R. H. English, superintendent of streets of Santa Ana, in reference to gates in Santa Fe street, and the same was referred to the litigation committee.

On motion, the secretary was instructed to write E. W. Pyne that his pipe line along our right-of-way does not seem to be in our way now, but we reserve the right to remove same at any time.

Petitions to unlocate stock were received as follows: From Jos. Cochems, one-half share, represented by certificate No. 9821; from B. F. Townsend, two shares, represented by certificate No. 6891; from Emma F. Lieser, one-half share, represented by certificate No. 8071, and upon motion, they were granted and the secretary instructed to issue unlocated stock in lieu thereof upon the applicants filing with the secretary the proper recorded disclaimers.

A petition for a pipe line was received from E. Rurup et al., and on motion the same was granted, provided the petitioners pay one-half the cost of the pipe line and all the cost of the gates.

Requests to buy cement were received from, and granted to, as follows: C. E. Isaacson, 280 sacks; H. Meier, 44 sacks, and C. L. Leslie, 120 sacks.

It was moved and carried that the proposition as submitted by the Home Telephone Co. be accepted and the secretary instructed to sign in behalf of the Santa Ana Valley Irrigation Co. the request to the Southern California Edison Co.

On motion, the condition of the waste ditch at Tustin avenue and the creek was referred to the zanja committee and the superintendent with power to act.

On motion, R. R. Peralta was allowed a rebate of \$30.00 on his lease on account of the Santa Ana Valley Irrigation Co. is using.

On motion, the secretary was instructed to burn the old ballots and election returns now in the office.

It was moved and carried that H. C. Kellogg be instructed to establish the corners of the Hazen tract.

It was moved and carried that a committee of two be appointed to investigate the commercial value of the clerical work of the Santa Ana Valley Irrigation Company's office, and the chair appointed H. W. Lewis and L. E. Smith as said committee.

A letter was read from the railroad commission, and on motion, referred to E. E. Keech to answer.

Adjourned.

# ABOLITION OF THE PATRONAGE SYSTEM RECOMMENDED BY TAFT

Would Have Postmasters, Pension Agents, Land Office Employees on Civil Service List by July 1, 1913

WASHINGTON, April 4.—Abolition of the patronage system regarding first and second class postmasters, pension agents, employees of the land offices, the internal revenue and customs service and the transfer of such positions to the classified civil service lists are recommended to congress by President Taft today in a "second chapter" message on economy and efficiency. The message said:

"In the interests of an efficient and economical administration of the business of the government I urge the

necessity for the inauguration of this important reform and recommend as necessary amendments to the laws governing such appointments, such amendments to take effect not later than July 1, 1913, so that there may be secured to the people the benefits to be derived from the conduct of their affairs by officers selected on the basis of merit and devoting their time and talents solely to the duties of their offices.

"In my opinion each of the foregoing recommendations if acted on

will largely increase efficiency. Directly and indirectly, the changes proposed will result in saving millions of dollars.

"This will leave congress free to determine whether the amount thus saved may be utilized to reduce taxation or provide funds with which to extend activities already carried on and enter into beneficial projects which heretofore could not be undertaken for lack of funds."

In the post office department the president declared that the investigations of the economy commission indicated that in many cases two persons were doing the work of one. In this connection the message said:

"As the annual operating expenses of first and second class post offices aggregate over \$50,000,000, there is no doubt that if the postmasters in these offices embraced in the classified service, were required to devote all their time to public service, the annual savings would amount to about \$4,500,000."

Further and similar savings, the message declared, could be effected by the abolition of assistant postmasters.

An annual saving of nearly \$62,000,000 could be saved, President Taft asserts, if pension agents were put on the civil service list. More efficient work coupled with an economical administration would result if the post of receiver at the land offices were abolished and the register given those duties in addition to his own, and put on the classified list. The message adds:

"In the internal revenue and customs service the direct saving of salaries and indirect economy through increased efficiency would follow and result in the transfer of such offices to the classified service. In other fields the saving which would result from classification of local offices as marked, but undoubtedly substantial saving would follow."

Other officers the placing of which upon the civil service lists as urged by the president are: Steamboat inspectors, field agents and the bureau attached to the fisheries. The consolidation of the lighthouse and life saving services is also urged. Other changes urged in the message are as follows:

Consolidation of the revenue cutter service with the department of commerce and labor.

Consolidation of the different departments in the auditing offices, unification of the traveling expenses of government officials.

Simplification of correspondence filing system.

Establishment of a central distributing office for mailing public documents.

Simplification in the present system of estimating appropriations.

The message also asked for an additional appropriation of \$250,000 for the economy commission.

## Glance at Our New Goods

### Pretty Wash Goods for Dainty Dresses

VARIED AS THE TINTS OF THE WINGS OF BUTTERFLIES ARE THE NEW SHADES OF THE NEW GOODS WE SHOW FOR SPRING. WE SHALL NOT TRY TO TELL YOU WHAT OUR NEW SPRING GOODS LOOK LIKE. THIS IS IMPOSSIBLE. WE, HOWEVER, INVITE YOU TO VISIT OUR STORE AND SEE THE ENCHANTING NEW THINGS THIS SPRING SEASON OFFERS. OUR PRICES ARE NEVER HIGH.

#### New Tissues 25c

Among the handsomest of the new Spring Wash Goods are these Cotton Tissues. They are midway between a gingham and voile in weight—just right for dainty wash dresses. We have them in a big variety of plaids and stripes in the prettiest shades of blues, pinks, tans and lavender. They are 27 inches wide, and priced at only 25c a yard.

#### Silk Gingham 25c

This dainty material in something like a tissue in weight, probably a little heavier. It has a little bit of silk woven in the pattern to give it character—hence its name, "Silk Gingham." Plaids and stripes show up well in this material and we have them mainly in pinks and blues. Few fabrics are prettier for wash dresses. Price 25c yard, and width 27 inches.

#### New Jap Crepes 20c

We have just opened up a new shipment of Japanese crepes. We have sold hundreds of yards of this material for wash dresses for the colors are so good, and then it does not need ironing, just pressing. It is the best wearing material made, and holds its shape for it is hand woven, vegetable dyed, imported direct from Japan. Plaids, stripes and plain colors at 20c yard.

### Handsome Models in Tailored Suits For Spring

Our new Spring Suits are certainly fine examples of tailors' art. When you see them you must admit that artists have designed them and skillful tailors produced them. Every line is cut just right, and every button placed just right to get the best effect of harmony in design combined with fit and finish. Our suits show character. We know we can please you, and we guarantee a perfect fit.

The right goods at the right price has always been our policy. We have snappy new models as low as \$15.00. We would rather sell you some of our handsome garments at \$20.00 or \$25.00 for we feel you would be better satisfied. You get a deal more quality in cloth and lining at these prices; besides, we fit them free of charge.

### Correct Styles in Tailored Skirts, New Cloths! New Cuts!

Some people buy skirts as they do underwear—it doesn't make much difference how they are made, just so they fit comfortably and wear well. Let us show you the difference between just an ordinary skirt and the graceful, stylish garments we carry. You ought to get just as much individuality in a skirt as you do in a suit or a dress, and you do in the skirts we sell you. Keen design, fine tailoring, stylish cloth are the very first points you will notice. And we fit them to you perfectly.

We have some mighty pretty models in the new, high waist line, in soft shades for Spring, at \$4.50 to \$10.00.

## FIVE HUNDRED NEW SETTLERS IN 60 DAYS

Expect Population to Double in 4 Months

Since the Great Water Discovery in SAN JACINTO, the whole Valley is on the move. Had it been a Gold Strike, the excitement could not be greater. It certainly could not have done as much genuine good to as great a number of people. It is a case now of a cozy, thrifty home in one of the most fertile, as well as the most beautiful garden spots on earth, before they are all gone, or the price gets beyond the reach of the average pocketbook. They are bound to treble or more in price, and still be a bargain over anything else with similar advantages. We prophesy that it won't be four months before every foot in the Valley will be selling at a premium.

Remember, every acre is at present

under a high state of cultivation, great apricot, peach and walnut orchards, the best alfalfa fields in the State, in fact there is no limit to the variety of crops and fruits that can be grown to the very best advantage in this soil. It has been rightly termed the country of the Big Potato.

A Committee with autos has been appointed to show everybody around free, and we extend a hearty invitation to all our good neighbors to see this beautiful little Valley of ours in all its glory. Come over on the Santa Fe in the morning, back in the evening. The San Jacinto Board of Trade, San Jacinto, Cal.

## THAT CLASS PLAY—A VEXED QUESTION

Parents and Teachers of High School Discuss it—Vote for it Was Carried

The meeting of the Parent-Teachers' Association of the high school, held Wednesday evening at the Commercial High School, was well attended, and a number entered into the discussion of the class play.

Ernest Crozier Phillips introduced the subject, speaking on the affirmative side, saying he was heartily in favor of a class play under certain conditions: 1. A passing grade or college credits, which is 85 per cent; 2. That the pupil is physically strong enough; 3. That the students taking part exhibit a proper school spirit; 4. When the rehearsals come in the afternoon, except the one or two necessary dress rehearsals. He discouraged all professional ideas, all familiarities of students and any segregation into groups or couples.

Mr. Crozier considers that the class play develops poise, ease of manner, etc., especially in the shy and timid student. In his work in this line in the past seven years, about four hundred students have come under observation and at least one half were anything but promising, yet only one of the number failed utterly. None of the number had taken up

the work as professional. Mr. Phillips also spoke of his work among the pupils in oral expression, and his aim to cultivate in the students confidence, an increased vocabulary, ability to think on their feet and to express their thoughts.

E. E. Keech was to speak in the negative side of the question, but was not present, and Prof. Cranston filled the vacancy and spoke, as he put it, "agin the government."

The points he brought up were: 1. It is exhaustive work at a time the energy is running low of both pupil and teacher. 2. It requires a great amount of time. 3. Each class wants to outdo the preceding class. 4. The class play seems to be the climax paramount to everything else.

"What can be substituted is the question," Prof. Cranston said, "and while just now I speak against the class play, I shall vote for it until something can be substituted that can take its place."

Judge West contended if school grade entered into this thing, the backward pupil derived no benefit, and the class play was only for the select few, and that he was opposed to it because the whole school did not benefit by it. In answer to Prof. Cranston's question, he would suggest that every pupil write, memorize and give publicly before the school, an oration.

Miss Wyant said: "Until this year that has been done, but it has been discontinued because of the great amount of work involved and because of the many complaints of pupils and parents. I heartily endorse the idea of this work in orations, and think if this could be begun in the freshman year, it would be a valuable thing."

H. G. Dean said he objected on moral grounds. Mrs. Wallace said she did not object any more than she would object to the children "playing house," "go to sea," or many other make-believe games they played, "that it is a play to gether which terminates that high school period."

A vote was taken at the suggestion of Prof. Bartlett, and twelve voted for a class play and ten against it, while many did not vote at all.

W. M. Smart spoke on "Comparative Values of School Activities in After Life." He is heartily in favor of all school activities, both indoors and out, and intellectually and physically, for all have a tendency to a higher and stronger personality. He said: "This personality goes far in the business world of today. Any of these activities produce decision of character, mental strength, ability to meet and measure the opponent, and a degree of confidence in both self and the world. I agree with Prof. Phillips in all he says of oral expression."

During the evening Miss Georgia Smith charmed the audience with a beautiful instrumental solo, and acted as accompanist for L. P. Hickox, who sang most acceptably "The Recessional."

The president, Mrs. West, appointed the committee for a new meeting: Mrs. H. G. Dean, Mrs. O. S. Catland and Prof. Clayton. She also named a nominating committee of three: Prof. Bartlett, Mrs. W. B. Tedford and Mrs. W. G. Gould.

By vote of the association a speaker is to be invited to address all the people on "Public Playgrounds" at the next meeting, and all the other Parent-Teacher Associations are to be invited to meet with the high school.

## TREES ARE CHOSEN FOR SCHOOL GROUNDS

Mrs. Fred Rafferty Has Donated Cherokee Roses and Boston Ivy Plants

Mrs. E. B. Norman, a member of the school board, and Fred Rafferty, the florist and nurseryman, have selected a number of rare palms and other trees to be planted on the Commercial High School Grounds. These trees will not only be beautiful ornaments to the grounds but will be of additional interest on account of the varieties.

Mrs. Rafferty has given and had planted a number of pink and white roses, including Cherokee roses, along the tennis court, and Boston Ivy at the Commercial High School, the ivy to eventually beautify the walls.

## WELL DONE, SUPERVISORS

In common, it believes, with an overwhelming majority of the citizens of Orange county, the Register is gratified to note that the Board of Supervisors found a way to make the appropriation of \$1800 needed for the Seventeenth street bridge.

This bridge will accommodate a large number of people and effect a material saving in time and in wear and tear on draft stock and vehicles. And while the advantage accrues directly in large measure to a small section of the county, the whole county will be indirectly benefited.

Also there is cause for congratulation and commendation in the avowed intention of the supervisors to submit a bonds proposition at the presidential primary election next month for general bridge building throughout the county. Money could not be expended for better purpose. And while we are at it let us hope that on main roads at least permanent bridges will be built. It does not pay to build light temporary wooden bridges. The cost of maintenance and wear and tear on vehicles crossing such bridges is always greater than the interest on the cost of permanent concrete structures.

We believe the people of Orange county will approve the expenditure of any reasonable amount of money on good bridges and good roads if they are given good value for the money expended.

## THEODORE ROOSEVELT

The Register has recently completed a review of Theodore Roosevelt's record as president, under the general title, "Catching up With Roosevelt," by Judson C. Welliver, in Munsey's Magazine.

Here is a brief review of his public career prior to his election as vice president:

As a member of the New York assembly his record was so admirable that later, while he was on his ranch in North Dakota, he was nominated by the Republican party for the mayoralty of New York city.

During the six years in which he acted as civil service commissioner at Washington he raised the work of the Commission from a theoretical to a practical importance and brought it into national prominence. During his administration more than twenty thousand positions for government employees were removed from the realm of political patronage and added to the classified service depending on merit only.

As police commissioner of New York, he enforced the law without partiality, purified the police force and raised its standards so that its members became self-respecting and real guardians of the law.

As Assistant Secretary of the Navy he infused vigor and life into that department. It was owing chiefly to his efforts that when the war with Spain came on our ships were manned and provided, and our fleets were ready for the services which won the surprise and admiration of European nations. It was during this period that he began the work of revivifying the navy and adapting it to modern conditions which he carried out so successfully during his term as chief executive.

As Governor of New York state he developed the merit system, made the canal commission non-partisan, procured the passage of a law taxing corporation franchises, and, acting without fear or favor of the "bosses," generally reformed the administration of state offices.

## SUFFRAGETTE LOGIC

Dr. Jessie Murday, the London suffragette who is lecturing in Chicago, tells us that if English women do not succeed in obtaining their desires by smashing windows they will use bombs.

Why not? If the suffragettes may destroy property and obtain the legislation they want, why dally with shopping-bag hammers? The bomb will destroy enough to count. The McNamaras used the bomb, and see what attention they attracted. Of course they landed in the penitentiary, but they made the country take notice.

Just what the suffragettes expect to gain by their window smashing escapades is uncertain—much notoriety, at least. But if they are justifiable in smashing windows, Doctor Murday's logic is sound. Why not use bombs?

If the London suffragettes will come to California, our ladies will teach them a thing or two about how to get votes for women in a peaceful, dignified and law-abiding manner.

## Register! Register!! NOW!!!

Every voter should bear in mind that registration for the Presidential Primary closes on April 13th. It should also be remembered that only those who in registering have stated their party affiliation can vote at primary elections. Those who in registering declined to state party preference, can have their registration changed in this respect by applying to the county clerk of their home counties before April 13th. The time is short. Act NOW—TODAY.

## RIVERSIDE'S CANDIDATE FOR CONGRESSIONAL NOMINATION

## THE PRESS PRAISES CUTTLE FOR HIS LOCAL PATRIOTISM AND GENEROUS AND MANLY ATTITUDE IN THE RIVERSIDE COUNTY CONTEST

FROM THE RIVERSIDE DAILY PRESS.

During the last few months Riverside county has had half a dozen candidates and near candidates for congress—today the county has but one, Samuel C. Evans, and the Republicans of this county should now line up solidly behind him and work hard to assure his nomination. The postal card primary has cleared the atmosphere in this county and demonstrated in a striking degree the confidence the men and women of the county have in the fitness of Mr. Evans as a candidate for congress; and we should now prepare for the harder and more important campaign to get him nominated in the September primaries.

So far as Riverside is concerned, the county can make a strong fight for Mr. Evans because we know his fitness and ability and we can back him up with earnestness and enthusiasm. He has been identified with the development of Riverside since its earliest days and his not been satisfied to be known as the son of the father of Riverside. He has done things himself for the city in a large and constructive way that has won him a host of friends here and made him known and respected all over the state. As a member of the school board, as charter treeholder, and first mayor of the city, he made a record for faithful, capable and unselfish public service that his friends are justly proud of. He is a student of affairs and would master the problems of national legislation with the same thoroughness with which he has grasped the problems of municipal administration. Mr. Evans has not been active in politics, but he is in hearty sympathy with the progressive movement in the political life of this state and the nation and this shows that he studied the questions of the day and reached the right conclusion.

## SAN DIEGO BUILDS

FAST—MILLION AND

HALF IN 3 MONTHS

SAN DIEGO, April 4.—Building operations during the first three months of 1912 cost \$1,560,900. This is a gain of more than half a million over the figures of the corresponding period of last year, which stood \$990,035. It also maintains the average of half a million a month established in January and February.

With a number of proposed large buildings under consideration it is anticipated that two millions will be exceeded considerably before the end of April. Among these is the polytechnic high school group, to cost \$175,000, and the Bridges block, to be built at Sixth and C for the Frevert-Bledsoe Furniture Company. The cost of this structure is estimated at about \$150,000.

AMUSEMENTS

"The Girl and the Boy"  
Ferris Hartman and his superb company, including Walter De Leon and Miss "Muggins" Davies, will be seen here at the Grand Opera House on Monday, April 8, in a splendid production of that delightful musical comedy, "The Girl and the Boy." This new show is by Walter De Leon, author and composer of "The Campus," and it is in every way worthy to follow that show. New, bright, tuneful and breezy, it is as neat and trim as an evening's entertainment as can well be imagined. The company is a large one and contains besides Mr. Hartman, Walter De Leon and Miss Davies, the names of Myrtle Dingwall, Josie Hart, Percy Bronson, Roscoe Arbuckle, Oliver Le Noir, Joseph Fogarty, Harry Pollard, Lawrence Bowes, and a large singing and dancing chorus, both girls and boys. The feminine portion of the chorus includes a bright array of pretty girls, whose beauty stamps it as a remarkable assemblage.

## LADIES DEBATED

Mrs. Getty and Mrs. Anderson Discussed Two Religions at Mission Meeting

The Women's Missionary Society of the United Presbyterian church held one of the most interesting meetings of the year yesterday afternoon at the home of Miss Sarah Finley, 634 French street. Over fifty ladies were in attendance. Mrs. Henderson led the devotional service. The subject was "McGhammedanism." A debate between Mrs. A. Getty and Mrs. D. L. Anderson was a most interesting part of the program. The question was: Resolved, That Mohammedanism Degraded Womanhood More Than Hinduism. Each side was ably discussed, and it would be a hard matter to decide as to which of the religions degraded womanhood most.

Echoes of the Women's Presbyterian recently held in Los Angeles at Harvard Heights church and attended by a number of Santa Ana ladies, were given by Mrs. Tidball, Mrs. W. M. Smart, Mrs. Andrews, Mrs. Prince and Miss Rosaline Kellogg. The Presbyterian was invited to meet next year in the new United Presbyterian church, at Santa Ana, the cordial invitation was gladly accepted.

A number of the older members who have not been able to meet with the society for a long time were present yesterday and were called on to make some appropriate remarks.

This being the first meeting in the new year, the following committees were appointed:

Reception—Mesdames Prince, Andrews, S. H. Finley.  
Social, First Division—Mrs. "Elsie"; Second division, Mrs. John McFadden.  
Foreign and Home Missions—Mrs. Tidball.  
Temperance—Miss Sarah Finley.  
Flower—Mrs. A. Getty.  
Praise Leader—Mrs. A. G. Finley.  
Ladies' Aid—Mrs. Amos Cox, chairman; Mrs. Steele Finley, secretary.  
Visiting—Mrs. J. E. Kellogg.  
Reporter—Mrs. Lea Warren.

Miss Finley was ably assisted in entertaining by Mrs. Tidball, Mrs. Martin and Mrs. Will Smith. Delicious pineapple sherbet and cakes were served. The society will meet May 1 with Mrs. A. G. Finley, 620 East Fifth street.

## Old Newport Tea

Ladies of Old Newport will hold an Easter social tea on Good Friday afternoon, April 5, at the home of Mrs. A. T. Cole. A good program will be given which all are cordially invited to come and enjoy.

## Jolly Hay Ride and Social

The regular monthly meeting of the Philathea class of the Spurgeon Memorial church was held Tuesday night at the home of Miss William Hayes. The girls were met at the church by Miss Hayes with a hay-wagon and a delightful moonlight ride was enjoyed.

The first part of the evening was given over to music and stunts, each girl in turn becoming the center of attraction.

A lively business meeting was followed by light refreshments. A vote of thanks was given Miss Hayes and her assistant hostesses, Mabel Blockgett and Marie Chandler, and the homeward ride was enjoyed by all.

## Civics Club

The Women's Civics Club will meet as usual on Saturday at 2:30 p.m. in the city hall.

Miss Jeannette Converse of Los Angeles, will speak to the club on various matters of interest with which she is familiar through her work in the Woman's Progressive League. Those who heard her for a few minutes several weeks ago know she is a most interesting speaker, and will be glad of this opportunity of hearing her more at length. All women of Santa Ana and vicinity are cordially invited to attend this meeting.

## AT MRS. WINSLOWS

Helping Hand Society Busied Themselves With Plans for New Church Building

The Helping Hand Society of the First Baptist church was entertained yesterday afternoon at the home of Mrs. W. E. Winslow. The afternoon was opened with beautiful devotional service conducted by Mrs. Otto S. Russell, a business meeting following. The meeting was informal, and while the serious campaign for raising money for a new church building was discussed the ladies busied themselves with fancy work that they had been invited to bring.

Many were the money-raising plans discussed, among them being food sales, experience socials and calendar socials. Both of the latter plans were adopted. The experience socials will now necessitate the earning of \$5 by each lady instead of the \$1 which has hitherto been the limit. The calendar socials will begin in September.

As the business meeting was rather longer than usual, yesterday afternoon, the ladies had to talk quite fast to get in all they wanted to say during the social time that followed the business session. They made up for lost time, however, continuing the busy chat over the delicious cake and ice cream served by the entertaining hostesses with Mrs. Stewart as chairman.

## ENTERTAIN CANTON

Mr. and Mrs. John Holt of Tustin Hosts to Chevaliers and Wives at Dinner

The chevaliers of Santa Ana Canton, No. 18, and their wives were honored guests at the hospitable home of Mr. and Mrs. John Holt in Tustin, yesterday afternoon.

The ladies went out early in the day and the regular program of the club was observed, with some difference to conform to the occasion. A general discussion of current events followed the business meeting. Mrs. J. J. Pyle talked on the customs of ancient people, surprising the club members by telling them that many of these ancient customs are now in practice.

The reciting of auto horns reminded the ladies that the dinner hour was approaching and that all worries of ancient and modern times were soon to be sidetracked. The faces that had been serious were wreathed with smiles as the ladies filed out to greet their husbands, and strolled in the "garden beautiful." And as they stood by the fragrant orange trees and plucked the golden fruit, they remembered the words of the poet who said in part:

"You shall store all your baggage of worries,  
You shall fill a perfect peace in this realm;  
You shall sail with old friends in fair waters,  
With joy and delight at the helm.

You shall wander in cool fragrant gardens  
With those who have loved you the best,  
And the hopes that shall LAST in life's journey  
You shall find in this garden of rest."

The call for dinner aroused the guests from their reveries and they soon found themselves partaking of a real genuine Old Fellow lovefeast. As everyone knows, a chicken dinner is an Old Fellow's delight, and the chickens served at the Holt dinner were of an unusual quality. This was demonstrated by the numerous prize cups that adorn the Holt home. The place cards were in Easter greetings in the form of a shingle with a "bird" attached. The idea was originated and executed by Mrs. George Prather. The decorations were purple and gold, the colors of the canton. The purple iris with its fragrance and beauty was greatly admired.

Yesterday's event was a charming one and Mrs. Holt and her assistants scored a social success. The ladies assisting Mrs. Holt were Mesdames Geo. Prather, Mrs. C. S. Hubbard, W. M. Collar and Mrs. Claude Norton.

Will Meet Friday Evening  
The regular monthly meeting of the Daughters of Veterans will be held at G. A. R. Hall tomorrow evening at 7:30 o'clock.

## UNIQUE DEMONSTRATION

Ebell Household Section Sees Baking of Cake and Freezing of Cream in Same Cooker

The home of Mrs. S. H. Kittle on the corner of Fifteenth and Bush streets was a busy place yesterday afternoon when the Second Section of the Household Economics Department of the Ebell Society met there. There were interesting demonstrations of fireless cooker cookery, the unrolling of a whole sheet of knowledge when at roll call each member told of some new kitchen convenience with which she was acquainted, and election of officers, besides a good time socially with refreshments to close. All that seems like the outline of quite a busy afternoon.

The meeting was presided over by Mrs. W. L. Grubb, the retiring leader, and the new officers elected were Mrs. J. P. Hatfield, leader, and Mrs. Wilbur Palmer, secretary-treasurer.

The fireless cooker demonstration was made by Mrs. BeBeese of Pasadena, the wife of the manufacturer of the BeBeese cooker. Not only did she thoroughly explain the working of this cooker, answering questions as concerning it and giving an interesting talk, but she demonstrated the unique process of baking cake and freezing ice cream in the fireless cooker at one time. Fireless cooker rolls were also displayed. Later the cake and ice cream figuring in the cooker demonstrations were served as refreshments with coffee and salted nuts. The ladies assisting Mrs. Kittle in entertaining were Mesdames Mark, J. B. Rowland, Wilbur Palmer, Elmer Burns.

## U. P. C. E. Social

The Christian Endeavors of the United Presbyterian church held a very pleasant and enjoyable social last night at the home of Martin Warren, 814 Parton street. Games, guessing contests, charades and various other games occupied the evening.

## An All-Day Meeting

The monthly all-day meeting of the ladies' societies of the First Methodist church was held yesterday at the church. The ladies' Aid society occupied the forenoon, the meeting being presided over by Mrs. W. D. Baker, who is president. A comfort was noted by the ladies. At noon the usual excellent hot dinner was spread in the dining room, not only the ladies but the business men of the city enjoying the excellent midday meal.

The afternoon was given over to the Home Mission Society, opening with devotional services conducted by Mrs. W. O. McLeod. The topic for the afternoon was "The Church and the Social Question," the discussion being conducted by Mrs. Thel and Mrs. Lee.

Both the Ladies' Aid, of which Mrs. F. J. Rogers is vice president, and the Home Mission Society, of which Mrs. Rogers is president, drew up resolutions of sympathy to be sent to Mrs. Rogers on her recent great bereavement.

## Stainer's Crucifixion

The choir of the First Baptist church will give Stainer's "Crucifixion" tomorrow (Friday) evening at the church. Zealous rehearsals have brought the choir and their assistants under the direction of Mr. W. A. Benjamin, up to a point of excellence in this work that promises a delightful production.

## Easter Cantata

On next Sunday evening at 7:30 o'clock, at the church, the choir of the First Congregational church will render Nevin's Easter-tide Cantata, "The Crucified."

This beautiful simple and soul-inspiring composition opens with the scene in the upper room where the institution of the Holy Sacrament is ordained. Suddenly, as a baritone solo follows the words "Let not your hearts be troubled; ye believe in God, believe also in Me." A male quartette brings in the progress to Gethsemane with the words "From the peaceful upper chamber forth they go in silent awe." \* \* \* \* \* Keenly shaded vale descending. Come then to the garden's slope." Follows the Betrayal, also taken by the male voices, later augmented by the whole chorus when Judas greets his Master with a kiss.

The most beautiful solo of the whole cantata is Mr. Phillips' which now follows describing Christ's majestic meekness under the taunts of the mob and Pilate.

After a chorus dolorous and mournful, telling of the withdrawal of even the Father's love, the scene is changed. The three days have passed and now there is the joyous refrain of the great and glorious resurrection.

The cantata closes with the grand old hymn "Christ the Lord is Risen Again—Hallelujah."

The whole evening is to be devoted to a musical service. Mr. Miles will first render a solo followed by the cantata. After the cantata another number will be sung by Mr. Phillips, and the choir will close the service by rendering the anthem, "At the Close of the Sabbath," a magnificent chorale by the precursor of Carlisle cathedral.

Mr. Revell desires to thank those publicly the valuable help rendered by the following friends: Mrs. Dabbs, Miss Ely, Miss Hazel Rowley and Miss Strong; Messrs. Rowland, Chapman and Scholes, who will supplement the regular quartet choir for the occasion.

## Choir Rehearsal

There will be a special choir rehearsal at the Episcopal church after the service tomorrow evening. All members of the choir are urged to be present as this will be the last chance to rehearse the Easter music.

## Enthusiastic Meeting

A very enthusiastic meeting of Missionary workers was held at the First Presbyterian church Tuesday. Mrs. Stevenson, in the absence of the chair-

## Clothcraft

The Only Guaranteed All-Wool Line at \$15 to \$20

YES, you will find other all-wool clothes, well cut, smart, good fitting, with character in every line and stitch—clothes that will give you good service and satisfaction.

But they will cost you more. In Clothcraft Clothes only will you find all these quality points combined for \$15 to \$20. For the simple reason, that by ordinary methods, Clothcraft Clothes, with all their guaranteed quality, could not be produced at these prices.

It's Clothcraft scientific tailoring methods—time saving, corner cutting, efficiency methods that reduce cost without sacrificing quality—that give you an opportunity to buy these guaranteed clothes without paying the prices that such quality usually commands.

Think of it—guaranteed all-wool clothes at \$15 to \$20. Think of wearing the kind of a suit or overcoat you like at \$15, \$18 or \$20. Isn't it worth investigating?

man, Mrs. Rogers, presided in a most pleasing manner.

Reports from different churches were given, showing that a great work is being done by the women along missionary lines. All the societies are making a study of missions, both Home and Foreign, and some of the churches already have a representative in the foreign field.

So helpful was this meeting that a permanent organization was formed to be called the Missionary Sisterhood, and will meet once a year.

The following officers were elected: President, Mrs. Rogers; Vice President, Mrs. Stevenson; Presiding Secretary, Mrs. Raitt; Literary Secretary, Mrs. E. J. Foster; Treasurer, Mrs. Scott.

The Wales family were entertained over the day and night by Mr. and Mrs. William Besser, old Iowa friends. This morning they rejoined the Culvers, who spent yesterday in visiting old friends here, and motored to Newport Beach.

The party will visit the various other beaches during the stay of Mr. and Mrs. Wales in Southern California which they will tour thoroughly.

Mrs. Pangborn who has been for some time past the guest of Mrs. J. H. Spaulding, left this morning for Los Angeles. She will be joined there on Saturday morning by Mrs. Spaulding and the two ladies will spend Sunday in Inglewood with their old time eastern friend, Mrs. Rose Weaver.

The W. H. Thomas family yesterday had the pleasure of a visit from their old friends, Mr. and Mrs. A. E. Smith, son, Eldon, and baby daughter. The families were friends years ago at Leeds, North Dakota.

**REV. WARDLE IS ELECTED**Mrs. Rufus Buck Has Disappeared—Search Fails to Get Clew  
Westminster Presbyterians are Unanimous in their Choice for Church's Pastor

HUNTINGTON BEACH, April 3.—Mrs. Rufus Buck has been missing since Monday and her husband is frantically searching for her. She left her home near Huntington Beach last Monday morning with the avowed intention of coming up town, and was seen at a local grocery store at 10 o'clock, when she stated her purpose of lounging on the beach for a while. Nothing has been seen of her since.

When she failed to return home Monday evening her husband became alarmed and enlisted the aid of City Marshal Sorenson to search for her, but without success. Mrs. Buck has disappeared completely, having been neither seen nor heard from since leaving the grocery store. No cause for her action, if voluntary, is known and it is feared that she may have met with some mishap.

The management of the East Side Water Company, which supplies water to the Vista Del Mar section of this city, has been resigned by Mayor Ed. Manning, and will hereafter be cared for by Fritz Burgenman of this city.

City Attorney Rush M. Blodgett resigned his position last night at a meeting of the city trustees, and in a caustic letter, scored a faction of the people here who have opposed his course while in office. The letter of resignation caused a sensation here, as the city attorney's term of office would have expired in three weeks. Opponents of the present administration are said to have slandered Blodgett.

WESTMINSTER, April 3.—The annual meeting of the Presbyterian church, Westminster, was held on Saturday afternoon. There was a good attendance. Splendid reports of the work done during the year were made. Hansler Larter and Edward Schneider were re-elected elders for three years. H. B. Anderson and S. C. Thompson were elected trustees for three years. W. B. McCoy and Thos. S. Hosack for two years and John Grant and L. E. Rich for one year. C. C. Johnson was elected clerk and R. B. Anderson treasurer of the congregation. O. B. Bryam was elected superintendent of the Sabbath school to succeed A. H. Burlingame, who is to make his home at Long Beach. The congregation voted unanimously to call a congregational meeting to formally call Rev. W. T. Wardle as pastor of the church. This meeting will be at the close of the morning service next Sabbath. A splendid spirit prevailed. The church is counting large in this community.

Next Sabbath morning there will be a special Easter sermon by the pastor, followed by the communion service, following which there will be a congregational meeting.

In the Matter of the Estate and Guardianship of Samuel James Tuffree, a Minor.

In the Superior Court of the County of Orange, State of California.

Upon reading and filing the verified petition of Carolina R. Pittman, Guardian of the person and estate of Samuel James Tuffree, a minor.

It is ordered that all persons interested in the estate of said minor do appear before this court on the 29th day of March, 1912, then and there to show cause why all of that real property situate in the County of Orange, State of California, and described as lots eleven (11) and fourteen (14) of Tuffree's subdivision of Section 19 and 20, Township 3 S. South, Range 9 West S. B. M., described should not be leased for the period of twenty (20) years, for the purpose of exploiting for oil and petroleum and extracting the same therefrom, upon the payment of a cash bonus of \$5000, and the further payment of a sixth of the net oil produced from the premises during the existence of the said lease.

Reference is hereby made to the petition on file herein for further particulars. And it is further ordered that this order to show cause be published for two successive weeks in the Santa Ana Daily Register, a newspaper of general circulation, published in the County of Orange, State of California.

Dated March 14, 1912.

Z. B. WEST, Judge.

**FLANDERS**  
**20**  
**TWENTY****Three Speed, Fore-Door Five-Passenger Touring Car \$900.00**

As Shown in Cut

HERE is the car which finally and completely solves the problem of the highest grade car at a price within the reach of every man. For \$900 we offer an automobile with full fore-door body, ample room for five passengers and with three-speed transmission.

Examine it, scrutinize it to the last detail and you will be convinced that this, the latest achievement of the E-M-F factories, offers extraordinary automobile value.

The business man of moderate circumstances who desires for himself and family the health, the enjoyment of automobiling, can now secure a touring car of certain reliability at a purchase price within his means. For \$900 he will buy in the Flanders "20" a car to carry five passengers far across the country and back again, surely, swiftly, in the life-giving out-of-doors.

You can rely on this car. It has the power to climb any hills you may encounter and travel through sand, mud and over roughest roads. Moreover, in ease of operation, in economy of fuel and upkeep, the car will be a constant and pleasant revelation. You will be delighted to discover for what small expense you can drive a Flanders "20."

Add to utility, the gratifying beauty of line which this car embodies. The body is a full fore-door type, with wide full fenders which confirm the impression of speed and strength. Side by side with any car on the road the owner of the Flanders "20" will be assured that his car in unmistakable automobile value has no superior.

In mechanical principle the new Flanders "20" advances far beyond previous cars at a comparable price. The three-speed feature has been introduced and offers the same advantages as a higher priced car. In addition the chassis has been lightened, the motor more deftly built and adjustable push rods provided.

In a certain sense this car is not a new car. It is the product of the E-M-F factories whose eight plants furnish an unequalled equipment for building motor cars at a minimum cost and with economical attention to detail. E-M-F quality is literally famous as the standard in automobiles. Other machines will cost more, but every automobile built by the E-M-F factories provides a dollar for dollar value which has long been the despair of other manufacturers.

Into the new car the E-M-F designers have put all their experience. The design is studied to the last degree of simplicity and refinement, and on these lines is built a car from high grade materials whose quality we absolutely know, and which we construct with the most careful and intelligent workmanship.

### LOS ANGELES PRODUCE MARKET

No quotable change was shown in the market for potatoes. With ten more cars breaking, there were no signs of breaking. There was plenty of Oregon stock to be had at \$2.65 per hundredweight. Prices asked for stock of the Highland variety in the car on the tracks was \$2.25.

An advance of 1 cent a pound to 8 cents, was noted on asparagus of the best quality. This advance was due to light receipts of fancy green stock. White grass from Imperial Valley sections was in liberal receipt and sold around the 4-cent mark.

Celery was in liberal receipts, but held firm at prevailing quotations. Cauliflower was in good supply with a good outside shipment. The market was in good shape. The best stock sold at \$2.00 a crate.

The feature of the market in deciduous fruits was the liberal receipts of strawberries. The quality of stock that arrived was good; there was little sent to outside points and this had a tendency to weaken the market. The best berries sold at 12 cents per basket.

There was a fair movement of apples of most varieties at quoted prices.

The market in dried fruits was easy and quiet. Some little spurts are noticed now and then, but the general tone of the market is easy and not much business doing. There are no heavy stocks being carried outside of raisins. One feature of the situation is the low price quoted on prunes. Some of the low priced offerings are on fruit not well cured and generally out of condition, or packs that are off count. Better business is looked for in the late spring and summer.

The egg market showed no change over the previous day. The market was firm generally with receipts added in keeping with the demand. Receipts were 818 cases.

Butter sold off to 28½ cents on creamery extras and firsts, making another decline. A cent on these grades. Country and table butters were quoted unchanged. The decline was due to liberal receipts and in sympathy with the northern market which was ½ cent lower. 28 cents. Arrivals were 23,780 pounds. The cheese market continued firm. There was a good demand for cream brick and Eastern varieties. Receipts were 868 pounds.

No onion, bean or sweet potato receipts were reported in. The market on these commodities was firm at quoted figures.

The quality of our work is unequalled. The People's New Laundry, 901 E. Fifth St. Both phones.

## AT THE COURTHOUSE

HE WEPT WHEN  
VERDICT CAME

Man Convicted of Stealing a  
Motorcycle is to be Sen-  
tenced Tomorrow

Yesterday afternoon when the jury that tried him brought in a verdict of guilty of burglary in the first degree, Leroy E. Russell buried his head in his arms and sobbed. He was convicted of stealing a motorcycle from Henry Seidel, meat market proprietor, on December 13.

Russell, a great hulk of a man, went on the witness stand and was questioned by his attorney, Dick Harding. Russell said he had ridden a bicycle here from San Francisco, hunting for work, and was camped at the West Orange school grounds when the officers arrested him. He said he knew nothing of the theft of the motorcycle, which was traced by its tracks from Seidel's barn to the schoolhouse.

Constable Jackson was found in A. J. Klunk of Orange an owner for a number of articles stolen from Klunk's automobile and found in

## Russell's possession.

Russell will be sentenced tomorrow afternoon. S. W. Price, a juror, stated to the court that while the verdict did not recommend the man to the mercy of the court, the reason those words were not written in was that the jurors had perfect faith in Judge West's fairness.

## Marriage Licenses

## Return of Writ

Sheriff Ruddock has returned a writ of execution for \$21.15 costs in the suit of Ida Baker against G. C. Baker. Money was secured.

## Notice Is Given

In accordance with press dispatches a month ago, State Veterinarian Keane has notified the supervisors that the quarantine against Orange county cattle has been raised except for a small portion of the southwest part of the county. Quarantine is for Texas fever ticks.

## A Great Week

The present week at the Christian church is proving to be a great one. Every evening has witnessed baptisms or the response to the gospel invitation.

Special attention is called to the meeting tonight. The sermon will be on "If Not, Why Not?" and the baptismal scene following.

Four hundred children are wanted at the children's meeting Saturday at 2:30, sixteen years and under.

Great meeting for men and boys only, next Sunday at 3 o'clock. Evangelist Lowe will give his lecture on "Three degrees in the Grand Lodge of Manhood." Every man and boy in Santa Ana should hear this address. It is worth while.

SHALL PEOPLE RULE  
IS WHOLE QUESTION  
SAYS ROOSEVELT

Scores Taft for Lining up With  
Reactionaries, La Follette  
to Campaign State

LOUISVILLE, Ky., April 4.—Theodore Roosevelt last night declared that the single question which is dividing the progressives and the forces of reaction in the present campaign is whether the people or the interests shall have control of the government. America, he said, is facing one of the greatest crises of its history. A victory for the progressives, he added, means the placing of human life above the dollar, the government control of "big business," the conservation of natural resources and the restoration of power to the people themselves.

A victory for the reactionaries means the control of the government and the courts in the interest of "big business" and a return to that condition when commercial corruption, in league with political allies, seized the most valuable of the country's properties. Colonel Roosevelt said the sole purpose of the progressives was to secure for the people a real, not a nominal control over their representatives. This control must include the power to secure the enactment of laws which the people demand and the rejection of laws which the people oppose.

Colonel Roosevelt was outspoken in his criticism of President Taft. He said that, no matter how good his intentions, Mr. Taft's actions have ranked him against the progressives and with the reactionaries. He cited the stoppage of the work of the country life commission and the conservation movement, and the action of Taft in supporting those courts which declare that the people have no power to do social justice.

ACTIVE ROOSEVELT CAMPAIGN  
OPENED TODAY IN OREGON

PORTLAND, April 4.—The Roosevelt today began an active campaign in Oregon. They claim they will have a decisive Roosevelt victory at the primaries on April 19. Speakers were sent today to every large city in the state.

LA FOLLETTE TO SPEAK  
ALL OVER CALIFORNIA

LOS ANGELES, April 4.—Walter Houser, Senator La Follette's campaign manager, has announced that La Follette will probably come directly to Los Angeles following the Oregon primaries on April 19th, and begin his California campaign from here. His plans include speeches in almost every Southern California city, then a tour of central and northern sections of the state. He will remain in California until after the presidential primaries on May 14.

LOS ANGELES FORWARDS  
PRESIDENTIAL PETITIONS

Leland and were forwarded last night to the State capital by express. They were carefully sealed in strong leather

FINE BIG WILD  
WEST SHOW

The 101 Ranch Wild West Show is here today, bigger and better than ever before, and attracting lots of people who love to see real genuine cowboys in action. The parade was a long one, led by J. C. Miller, president and organizer of the show. There were five bands of music and Indians from Sioux, Cheyenne, Choctaw, Navajo, Arapaho and Pawnee tribes. The show tents are pitched on Fruit street. A show is being given this afternoon, and another one will be given tonight. Everyone who has seen the show this season declare it is first-class.

pouches and in charge of a special messenger.

The La Follette petition was filed late in the afternoon, too late to be sent with the others.

GOV. JOHNSON PREPARES  
TO SAY SHARP THINGS

SACRAMENTO, April 4.—Governor Johnson today is preparing a speech to deliver Saturday night at San Francisco. It is rumored that he will have sharp things to say in reply to the charges that he abandoned La Follette for Roosevelt. It is rumored that he may attempt to involve Walter Houser, La Follette's campaign manager, in the affair.

ANGELENOS START FOR  
WALK TO PANAMA AND  
RETURN TO WIN WAGER

Los Angeles Examiner: George C. Gordon and Frank P. Starkey will start from Los Angeles Friday noon, on a wager to walk to the City of Panama and return. Both men are to leave here with \$5 in their pockets and are to return with \$1000. During their trip they will sell postal cards and pictures of themselves, but under no condition are they to beg or borrow money.

Gordon and Starkey expect to average twenty-five miles a day for the entire trip. Each will carry a knapsack weighing about thirty pounds, which will include sleeping and cooking equipment. Unless they meet with some accident they expect to arrive in Panama about September 1. The route mapped out by the walkers includes Mexico, Guatemala, Salvador, Honduras, Nicaragua, Costa Rica and Panama.
